

Crinan 'Classic Muster' 1st July 2010 – 4th July 2010

To enable British Waterways to accommodate as many vessels as possible during the event we require owners to register craft details with us.

The event is scheduled to take place leading up to our busiest weeks of the year.

British Waterways will endeavour to provide as much berthing within Crinan Basin as possible but given normal day to day traffic we regret **berths cannot be guaranteed** in particular where larger craft are involved.

Crinan Classics Package

For only **£9.70** per metre of boat length (Inclusive of VAT), this licence will cover **TRANSITS** made between **31st June – 5th July '10**, and include lockings and overnights (***at Crinan Basin if space permits***).

Vessels remaining in the canal after 5th July, or arriving before 31st June, will incur additional fees at a rate of £1.00/m/day.

Terms & Conditions

Applications should where possible be made in advance through the Crinan Canal Office, Pier Square, Ardrishaig, Argyll, PA30 8DZ.

Ideally, these should be received before 18th June 2010 to enable licences to be posted to applicants.

British Waterways cannot guarantee to provide berthing to all entrants.

Shore power is unlikely to be available.

Entrants berthing in the Basin must understand that each locking takes time and may impact on the ability of vessels to make certain race starts.

No refunds will be made for partially used tickets

All movements must be made within normal operating hours

**Any use of the Crinan Canal out with these dates would attract full charges.*
