

## Crinan Classic Boat Festival 30<sup>th</sup> June 2011 – 3<sup>rd</sup> July 2011

To enable British Waterways to accommodate as many vessels as possible during the event we require owners to register craft details with us.

The event is scheduled to take place leading up to our busiest weeks of the year.

British Waterways will endeavour to provide as much berthing within Crinan Basin as possible but given normal day to day traffic we regret **berths cannot be guaranteed** in particular where larger craft are involved.

### **Crinan Classics Licences and rates**

\*\*\*These are only available for craft registered with the organisers of the event\*\*\*

#### **Special Event Licence**

**Rate includes 2 additional nights FREE!**

For only **£9.90** per metre of boat length (Inclusive of VAT), this licence will cover **TRANSITS** made during the period **29<sup>th</sup> June – 4<sup>th</sup> July\*** and include all movements

Vessels remaining in the canal after 4<sup>th</sup> July, or arriving before 29<sup>th</sup> June, will incur additional fees at a rate of £1.15/m/day.

#### **Crinan Basin Only Licence (Inc VAT)**

**These can ONLY be purchased on the day and on a first come first served basis.**

**Each** locking into Crinan Basin, overnight stay and return to sea will be charged at the discounted rate of **£2.25** per metre saving 30% on normal rates.

#### **Additional Days**

Additional Lay-up days may be purchased @ £1.00/m/day provided the vessel remains in the basin and does not lock out.

### **Terms & Conditions**

Applications should where possible be made in advance through the Crinan Canal Office, Pier Square, Ardrishaig, Argyll, PA30 8DZ.

Ideally, these should be received before 17<sup>th</sup> June 2011 to enable licences to be posted to applicants.

British Waterways cannot guarantee to provide berthing to all entrants.

Shore power is unlikely to be available.

Entrants berthing in the Basin must understand that each locking takes time and may impact on the ability of vessels to make certain race starts.

No refunds will be made for partially used tickets

All movements must be made within normal operating hours

*\*Any use of the Crinan Canal out with these dates will attract full charges.*
