

Crinan – Tobermory Classic Race
Saturday 10th July
Entry Form

This is a new venture by the team behind Crinan Classic Boat Festival. To be held on Saturday 10th July and to replicate the old route of the Tobermory Race in boats that would have raced the race all these years ago.

We are keeping the arrangements and organisation as much as possible to a minimum in this the first year. Being a passage race this should be achievable. The tides are favourable for a relatively but not unsociably early start from Crinan but with plenty of time for everyone to arrive in Tobermory in good time, weather permitting.

Please complete this short form if you are intending to or are interested in taking part. If you have already or you are entering your boat for the Classic Festival the week before then we have or will have your boat details. If you are only intending to take part in the Crinan - Tobermory Race we ask you to please complete the sail or motor boat Crinan Classic Boat Festival form so we can have your boat details. Please indicate clearly if you are intending to take part only in the Crinan – Tobermory Race and not the Classic Festival if that is the case.
